## Print placements

### Display and covers

The media kit lists full page, back cover, inside cover, half page and quarter page. It shows dimensions of 210 × 280 mm for the full-page and cover group, 140 × 210 mm for half page and 105 × 140 mm for quarter page. Each listing calls for 3 mm bleed.

### Double-page advertorial

Beauty Prime co-designs the two-page spread with the advertiser and pairs it with an online advertorial.

## Custom print production

### Your Brand, Your Magazine

The client provides 5–10 pages of content and a brief for the magazine. Beauty Prime designs the layout, completes the remaining pages and distributes the finished publication through its platform.

Ask LARA to confirm current availability and the final specification for your selected placement.
